“Women, Money and Opportunity”

A Seminar for Women Business Owners and Entrepreneurs

The Pennsylvania Treasury Department’s Women & Money Project is proud to partner with Women Impacting Public Policy (WIPP) to help women progress towards stronger economic security.

This seminar will provide concrete resources for Pennsylvania women to start, grow, and innovate their businesses. The program provides vital information, tools, and resources in three essential target areas:

- **Contracting:** competing and teaming for federal and state contracts;
- **Accessing Capital:** strategies for finding and securing diverse revenue streams;
- **Business Matchmaking:** One-on-one meetings with procurement officers from the public and private sectors and non-profit small business consultants.
