

# THE WOMEN AND GIRLS FOUNDATION OF SOUTHWEST PENNSYLVANIA

## GRANT REPORT FORM FOR EVENT SUPPORT GRANTS

In preparing your report please use the indicators for systemic change together with the questions listed below to describe the impact of your program, supported by the grant received from the Foundation.

1) Describe how your program, showcasing women's voices, seeded long-term systemic change resulting in increased equity for women and girls in SWPA. Which of the following systemic change indicators were achieved by your program:

- The issue the program is addressing will be **viewed differently** in the community.
- The community will become **more engaged** in the issue this program is addressing.
- Specific **organizational, public, or corporate policy** or practices will change.
- **Opposition** to gender equity will **retreat**.

2) Describe the artist(s) involved in this event/exhibition or the women's work that was showcased.

3) What impact has your program had on the population you serve, your Community and the status of women's rights in Southwest PA? How did you educate and engage community members both as spectators and active participants? How many people attended this exhibit/event? Please share the demographics regarding race/age/gender, if you can.

4) What challenges have you encountered in reaching out to a diverse audience of all ages and genders to promote your message of gender equity? If you are still encountering obstacles, how can we help you in steering past them?

5) What are your core program successes to date? Please articulate how you have achieved the objectives and goals you presented in your original grant proposal.

6) Please list any significant changes in your program or organization that have occurred since you received the grant.

7) How has your program utilized local resources, partnerships with other community organizations, individuals etc. to achieve your goals?

8) What are your next steps to promote the work you have done and to create a ripple effect that can be felt throughout the community?

9) If we shared one thing about this project with the WGF Board of Directors – what would you want it to be?
